

## The Divinity of Who I Am

- The prince in this story valued healthy food, clean language, chastity, honor, honesty and trust. What are some things you value in your life and relationships? (Hint: Think of what you spend your time doing and your priorities.)

---

---

---

---

---

---

---

---

---

---

- How is forgetting or remembering *who you are* related to achieving your goals or acting upon your values?

---

---

---

---

---

---

---

---

---

---

---

---

- When we forget who we are, how are we more likely to treat others, including ourselves and our spouse?

---

---

---

---

---

---

---

---

---

---

---

---

- What is your potential and who are you besides your name?
